1. Cut out the main shape. Place the paper on a table and write the numbers 1 to 8 in a random order in the ☐ and ☐ spaces.
2. Turn the paper over and fold along lines 1.
3. Turn the paper over and fold in along lines 2.
4. Turn the paper over and fold in the corners.
5. Crease the paper from corner to corner and in half.
6. Turn the paper over and put your thumb and first finger of both hands under each of the flaps.
7. Manipulate the fortune teller so that sometimes one set of four numbers is showing and sometimes the other is showing.
8. One student chooses a number. The other manipulates the fortune teller that many times.
9. Repeat step 8.
10. The student then chooses a final number. The one holding the fortune teller lifts that flap and reads out the fortune which matches the shape ☐ or ☐ of the number.
