C. Circle True or False.**The World of Robots**

Many people think robots are big. They see big robots in movies. Big robots work for people. There are small robots, too. Sometimes they are toys for children. These robots are fun for children.

There are also robot trucks. Many children play with them. They control the trucks with a remote. The remote can drive the truck. The truck moves back and forth. The truck can make turns. The truck can move very fast. Sometimes children have robot truck fights. Children can have robot truck races, too. Robot toys are lots of fun!

C. Circle True or False.**My Pet Snake**

My father cuts the lawn on Sundays. I help my father. We make big piles of grass. It is very hot. I go into the house and drink water. Then I go back outside.

What do I find outside? A cute little snake! He is hiding under the grass piles. He wants to rest in a cool spot.

I read a book about snakes. The world's longest snake is almost ten meters long! It is a python. Pythons live in hot places. They can be pets, too. My snake is very small. He is now my pet. His name is Shorty.

I like him a lot!

- | | |
